

Third Sketch for Cjap VII - 3

Moreover they got a new and magnificent organ, "gothic in design" built in New York City, exhibited and installed Sept 1866.

The vested choir even gave concerts, viz., July 12, 1854 -- maybe it wasnt vested then, just a choir.

Note, Kate's mother died in 1905; her diocesan work doesnot start evidently until the following year, 1906 the earliest date I have for it, & others start in 1912, 1920, and 1922. But soo also Gov Park Board and Gov Public Library.

NOTE: Covington population 1870 - 24,505; 1880 - 29,720. Growing rather slowly. Government Building completed in 1879 at cost of almost \$300,000.

Note, building of the Cincinnati Southern Railway, & what it meant. What became of the Kentucky Central ?

In 1875, Fortifications of 1862/3 still standing.

By 1900 Mrs Hunt was entered into a considerable social life, giving parties etc. Also they travelled a good bit, e g to Portsmouth. This probably comes before Church Work or Community Work. In fact I find no reason to connect Mrs Hunt closely with Trinity after 18... in fact at all, except that she was a member.

Conclude this chapter with recreating of the social life.

Miss Scudder - her church work; her motto of service; her aim of pulling Mrs Hunt out of her despondency, and the success of that work.... Stress Mrs Hunt's private social life - her interest in children individually here.
