
rime 'n' reason

BY ALICE KENNELLY ROBERTS

**GET WELL WISHES,
MISS IARDELLA LYNCH**

(Retired Covington teacher,
recuperating from a broken hip at
Northern Kentucky Baptist Home,
Newport.)

*Iardella is remembered
In many different ways,
The Baker-Hunt Foundation she
loved,
The happy classroom days,
The many projects she pursued,
Delta Kappa Gamma, too,
Church work and traveling—all of
these
Gave her a lot to do.
And now, that she must be shut in,
Our thoughts and prayers are there,
Bringing the sunlight to her room,
Showing that others care.
We hope she does not suffer pain,
Feels better every day,
And that it won't be very long,
'Til good health comes to stay.*
