The Woman's  
Auxiliary  
Of The  
Diocese of Lexington

Dear Mrs Hunt-

It is with the deepest  
grief that the Woman's Auxiliary  
of the Diocese of Lexington hears  
of the death of Miss Scudder  
and, at a recent meeting of  
the board, the president appointed  
a committee to draft these  
expressions of our sympathy.

For many years Miss Scudder  
has stood as a beacon light to  
Auxiliary work and her life of  
service had made her known  
not only throughout the diocese  
but throughout the church.  
There was a vision of world-wide  
service and her work and  
influence in behalf of missions
