Dear Bill and Rheta

It pleased us to have your letter. We hope Rheta's surgery was entirely successful and it is all in the past. I thought of you during the fine weather and figured you were taking advantage of it. I had to give a lot of time to picture framing. Made some unique and effective ones. Also I cleaned the cistern. Two feet of water in it already. The recent rains were probably snow up your way. Had some volunteer assistance with the firewood and a good supply is on hand. The river rose fast and kept me busy moving a large quantity of cut wood up the bank ahead of the water. Yesterday morning I managed to fall into the river in deep water trying to retrieve a chunk of wood that had rolled down the bank. This happened up at Payne's Landing
