Dear Mr. Hunt July 19th-22

My dear Mrs Hunt,

This place is not remarkable  
except for the picturesque  
 scenery, and the wonderful  
 forests. The bushes are as high as  
 cedars, and the huge trees of  
 hemlock are thick towards the  
 the timbered trees are magnolia,  
 both in full bloom, make the place  
 very lovely, but the people of  
 this section of the state are  
 very poor.
