Miss Virginia Reed.

Covington, Ky.

My dear Miss Reed:

It will be impossible for me to be the secretary for "Wildflower Society" this winter. The highway is torn up and it is so much trouble to get into Covington.

I have spent \$2.²⁵ for cards since I have been secretary. We will let that take the place of my dues.

I have enjoyed the meetings of the Society and hope to be able to attend sometime when the highway is completed.

Respectfully

Julia A. Rouse.

You will find a check for Lydia Stephens dues and a dollar for Mrs Thomas's dues in the box.
