

A quick overview for using our new catalog powered by Evergreen.

Easy access to e-books, audiobooks, and online magazines just by clicking on the buttons at the top of the catalog.

Access your account here.

The screenshot shows the library's homepage with several callouts. A red arrow points from the 'Basic Search' box to the search input field. Another red arrow points from the 'Access your account here.' box to the 'Your Account Log in' button. A third red arrow points from the 'Easy access to e-books...' box to the 'e-books', 'OneClickdigital audio books', and 'Zinio magazines' buttons. The main content area features a 'SUMMER Reading Club' banner with a sun graphic and a list of services: 'Freegal' (Download 3 Free Songs Each Week), 'Summer Reading Club' (ends August 31st), 'Download Magazines' (Free on your PC, MAC or tablet), and 'Ask Us a Question' (Chat, Call or Email). The footer includes navigation links like 'Dynamic catalog', 'World Book Encyclopedia', and 'Magazine Articles', along with copyright information for 2006-2012 Georgia Public Library Service.

Basic Searching

Choose the formats you are looking for by using the drop down box.

Search All Formats

Search for items by, keyword, title, author, subject, series, or bib call number. Click in the drop down box to make your selection.

Keyword

You can now choose to search by branch or do a system wide search. The default will be your home branch unless you change it to "Kenton County Public Library" in your account/search preferences.

Erlanger

Logging in to your account

Your Account Log in

Log in to Your Account

Please enter the following information:

Library Card Number or Username
Please include leading zeros and no spaces.
Example: 0026626051

PIN Number or Password
If this is your first time logging in, please enter the last 4 digits of your phone number.
Example: 0926

 Stay logged in?
[Log in](#) [Forgot your password?](#)

You can now log into your account using your library card number, and your pin number (last four digits of your phone number). By checking the stay logged in box, the program will not time out and therefore you will not have to log back in. This is only recommended for your personal computer, not a public PC.

Once logged in you will see this screen.
