

KENTON COUNTY PUBLIC LIBRARY - ERLANGER BRANCH

READING GARDEN COMMEMORATIVE BRICKS BUILDING A STRONG FOUNDATION

Your gift to the Library Foundation can create a lasting legacy!

The Reading Garden is a perfect spot for reflection, meditation or quiet reading and has Wifi access. Commemorative bricks and pavers surround the garden's fountain.

Although all pavers have been engraved, there are a limited number of bricks available on a first-come, first-served basis.

Bricks are available to donors who make a gift of \$75 or more to the Library's Annual Fund. They can be engraved to commemorate loved ones' names, tributes, special occasions and lasting words. Gifts are tax-deductible minus the cost of the item (\$16.00).

Gifts to the Library's Annual Fund enable us to continue to **preserve yesterday** through our genealogy and local history program; **enrich today** with family programs, senior citizens' programs, computer classes and new book and media acquisitions; and **inspire tomorrow** with children and teen programs like Puppy Tales and new media including animé and online gaming.

Create your commemorative brick (up to 3 lines, blank spaces count as one character.)
