

TAP-ADULT PROFESSIONAL PROGRAM

ACCELERATED

The accelerated programs at Thomas More College are specifically designed to meet the needs of busy adults. The accelerated schedule allows you to earn your degree in an efficient, affordable, and convenient way from a highly regarded college right here in the Northern Kentucky/Cincinnati area.

Here's how:

- Attend small, accelerated classes
- Structured course schedules for easier planning
- Business students collaborate in study teams each week
- Personal academic plan
- Financial aid options for those who qualify
- Lock in your tuition rate
- Location options in Crestview Hills, KY and Blue Ash, OH* (* Business Programs)

Leaders coordinate, implement, promote, supervise, and direct the activities of individuals, organizations, schools and businesses. You can be that leader. Effective administration techniques help create the backbone of strong economic, political, education, and social systems in your local community.
