

BPG

in conjunction with **Breakthrough Performance Group**

Lean Six Sigma White Belt

Receive Your Free White Belt Certification and Learn How Lean Six Sigma Can Help You Move Forward!

Individuals will learn what Lean Six Sigma is, how it was developed, and the tools it uses to streamline and improve both manufacturing and service industries.

The skills learned will enable students to understand how Lean Six Sigma can improve quality and reduce cost while improving customer satisfaction.

Organizations will learn how Lean Six Sigma fits into their quality programs, how customers are retained, and how costs are driven down using Lean Six Sigma methodologies.

Date: Thursday, February 21, 2019

Time: 9:00 am—1:00 pm
