## Commemorative Bricks – Erlanger Reading Garden

The Reading Garden is a perfect spot for reflection, meditation or quiet reading. Commemorative bricks and pavers surround the garden’s fountain. Although all pavers have been engraved, there are still a limited number of bricks available.

Bricks are available to donors who make a gift of \$75 or more. Bricks can be engraved to commemorate loved ones’ names, tributes, special occasions and lasting words. Gifts are tax-deductible minus the cost of the item (\$16.00).

The Kenton County Public Library has been providing residents access to free library services since 1901. The Library serves the entire community, promoting literacy and lifelong learning and inspiring imagination through a wide variety of resources and services. We help people connect — in person and online — with welcoming, safe places that encourage exploration, celebrate discovery and expand opportunities for individual and communal growth. Your gift will help create a lasting legacy for generations to come.

Create your commemorative brick (up to 3 lines, blank spaces count as one character.)
