

WHAT WE ARE DOING

Stay safe. Stay healthy.

- Screening employees daily before work
- Wearing masks
- Disinfecting all surfaces throughout the day
- Keeping returned items quarantined for 72 hours before returning items to shelves.
- Providing patrons an option to download the Library's app which will allow them to check out books on their phone (does not apply to DVDs and games).
- Asking visitors to adhere by social distancing guidelines
- Following the "Healthy at Work" guidelines as set by the Commonwealth of Kentucky
- Carpets have been steam cleaned.
- Surfaces have been electrostatically disinfected.
- Windows will have been cleaned.
- Water lines from sinks, water fountains, etc. have been purged to ensure that water is fresh.

Please see a staff member if you have questions or concerns.
