

Out-of-State jobseekers (outside of the Greater Cincinnati area) are welcome to participate in our virtual job search skills classes and the NKY Accountability Group. However, if you need assistance from our staff or volunteer coaches or want to access our databases or e-media resources, you will need to purchase a KCPL Library card. The one-time card fee, good for life, is \$50. Please call our Circulation Department at 859-962-4005 for assistance.
