

Everyday Ordinary

Gone

As is my life's structure,
Forced to examine it now
Think about it
Write about it
Talk about it.

Everyday Ordinary

Gone

As is my routine
Forced to analyze now
Accept it
Manage it
Create it

Everyday Ordinary

Gone

As is my normal
Forced to search now
So many unknowns
So many directions
So little constancy

Everyday Ordinary

Returning

As is my new pattern
Sometimes just in my periphery
Sometimes full clarity
Every time just held a bit longer

Everyday Ordinary

Returning
